

Consent to Access Your Personal Credit Profile

By checking the "I Agree" box and clicking Accept, I authorize Cincinnati Ohio Police Federal Credit Union (COPFCU) to obtain credit reports for membership purposes and in connection with any credit request, including any update, increase, renewal, extension or collection of credit. I understand that COPFCU may contact me for additional information. COPFCU may obtain information from others about me and give information to others, including but not limited to verifying my identity and performing authentications as required by applicable local, state, and federal regulations.

Further, by checking the "I Agree" box and clicking Accept, I understand that I am providing 'written instructions' to COPFCU under the Fair Credit Reporting Act authorizing COPFCU to obtain information from my personal credit profile or other information from Experian. I authorize COPFCU to obtain such information solely for membership opening with COPFCU.

I have the choice to fund my new membership account during this online process with an account-to-account transfer(s) from another financial institution(s). I authorize COPFCU to complete the transfer(s) from any financial institution(s) I designate.

By submitting this application electronically, I affirm that all information I have or will provide to COPFCU during this process is true and accurate. I agree to the same terms that apply to an in-branch application. If there are co-applicants on this application, they have authorized the submission of this application. This electronic submission qualifies as my/our signature. I understand that I/we may have to sign additional documents before my new membership will be processed.
