

This information is current as of the date noted above and is subject to change without notice.

SHARE SAVINGS

Minimum Balance requirements - You must deposit \$5 to open this account. A minimum daily balance of \$50.00 is required in order to earn the stated APY for the dividend period. If the minimum daily balance is not met, you will not earn the stated Annual Percentage Yield.

Rate Information - See separate Deposit Rates below. Your dividend rate and annual percentage yield may change at any time determined by our Board of Directors. Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period

Balance Computation Method - We use the daily balance method to calculate dividends on your account. This method applies a daily periodic rate to the collected principal in the account each day.

Compounding and Crediting - The Dividend Period is the period of time at the end of which an account earns dividend credit. Dividends on your account will be compounded monthly and credited to your account monthly. The Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period. If you close your share account before dividends are credited, you will not receive accrued dividends

Accrual of Dividends on Deposits Other than Cash - Dividends will begin to accrue on non-cash deposits (e.g. checks) on the business day you make the deposit to your account.

Transaction Limitations This account is limited to no more than six (6) preauthorized, automatic, or telephone transfers may be made from these accounts to another account of yours or to a third party in any month, and no more than three (3) of these six (6) transfers may be by check, draft, or debit card to a third party. If you exceed these limitations, your account may be subject to a fee or be closed.

MONEY MARKET SAVINGS

Minimum Balance Requirements - You must deposit \$2,000.00 to open this account. A minimum daily balance of \$50.00 is required in order to earn the stated APY for the dividend period. If the minimum daily balance is not met, you will not earn the stated Annual Percentage Yield.

Rate Information - See separate Deposit Rates below. If the balance falls below \$2000.00 your dividend rate will be the same as our Regular Share Account. See separate Deposit Rate sheet. Your dividend rate and annual percentage yield may change at any time determined by our Board of Directors. The dividends and Annual Percentage yields are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period. Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

Balance Computation Method - We use the daily balance method to calculate dividends on your account. This method applies a daily periodic rate to the collected principal in the account each day.

Compounding and Crediting - The Dividend Period is the period of time at the end of which an account earns dividend credit. Dividends on your account will be compounded monthly and credited to your account monthly. The Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

If you close your money market account before dividends are credited, you will not receive accrued dividends.

Accrual of Dividends on Deposits Other than Cash - Dividends will begin to accrue on non-cash deposits (e.g. checks) on the business day you make the deposit to your account.

Transaction Limitations This account is limited to no more than six (6) preauthorized, automatic, or telephone transfers may be made from these accounts to another account of yours or to a third party in any month, and no more than three (3) of these six (6) transfers may be by check, draft, or debit card to a third party. If you exceed these limitations, your account may be subject to a fee or be closed.

CERTIFICATES

Minimum Balance Requirements - You must deposit \$1,000.00 to open this account. You must maintain a minimum balance of \$1,000.00 in your account every day to obtain the annual percentage yield.

Rate Information - See separate Deposit Rates below. The annual percentage yield assumes dividends remain on deposit until maturity. Any payment of dividends to you prior to maturity will reduce your earnings. Dividends for your account will be compounded monthly. Dividends will be paid/credited monthly. Dividends will begin to accrue on non-cash deposits (e.g. checks) on the business day you make the deposit to your account.

Balance Computation Method - We use the daily balance method to calculate the dividend on your account. This method applies a daily periodic rate to the principal in the account each day.

Transaction Limitations - After the account is opened, you may not make deposits or withdrawals from the account until the maturity date.

Early Withdrawal Penalty - If you withdraw any principal before the maturity date, your account will be assessed a penalty that is equal to all dividends that could have been earned during a period equal to one half of the term. If the penalty to be applied exceeds the amount of dividends earned at the time of withdrawal, then the portion of the penalty in excess of the dividend earned shall be deducted from the principal amount in determining the redemption value.

Renewal Policy - The account will automatically renew for the amount then on deposit and for the same term and at the Cincinnati Police Federal Credit Union's prevailing dividend rate for such type of deposit and term. You have a grace period of ten (10) calendar days after the maturity date to withdraw the funds without being charged a penalty. If you choose to withdraw the funds during the original or any subsequent grace period, no dividend will be paid during the respective grace period.

Y12 CERTIFICATES

Minimum Balance Requirements - You must deposit \$250.00 to open this account. You must maintain a minimum balance of \$250.00 in your account every day to obtain the annual percentage yield. One account per member with a maximum of \$1,000.00. Member must be under the age of 15 years old to qualify.

Rate Information - See separate Deposit Rates below. Dividends for your account will be compounded monthly. Dividends will be paid/credited monthly to the Primary Savings Account. Dividends will begin to accrue on non-cash deposits (e.g. checks) on the business day you make the deposit to your account

Balance Computation Method - We use the daily balance method to calculate the dividend on your

account. This method applies a daily periodic rate to the principal in the account each day.

Transaction Limitations - After the account is opened, you may not make deposits or withdrawals from the account until the maturity date.

Early Withdrawal Penalty - If you withdraw any principal before the maturity date, your account will be assessed a penalty that is equal to all dividends that could have been earned during a period equal to one half of the term. If the penalty to be applied exceeds the amount of dividends earned at the time of withdrawal, then the portion of the penalty in excess of the dividend earned shall be deducted from the principal amount in determining the redemption value.

Renewal Policy - At Maturity the balance of the account will automatically transfer to the primary share account.
